## L-1s 2-8-2 MIKADO

**AWESOME  
DETAIL**

**T**here were over 500 L-1s Mikado's running on the PRR System. This one will be correctly dimensioned and detailed as they were in the later days of their service. Order with Confidence.

In 1943 **Santa Fe Took Delivery of 3 L-1s.** Sunset Announces the SF #882 Class Mikado with SF Tender.

### Also Coming Head End Cars in Life-Time Brass

For those with Broadway Limited Trains, you need this head end car. It is a **BM70M**. "these cars ran virtually everywhere on the PRR and commonly ran on the Broadway Limited in addition to many other Blue Ribbon Fleet and Northeast corridor trains.

For Horse and Railroad Fans, you can't be without a **Horse Express car**. They were decorated for SP, Santa Fe, PRR and REX. We will supply the car, you supply the horses, hay and manure.

Lastly, don't miss the well known but difficult to find, **PRR Theater - Scenery** cars. "These unique cars were designed for carrying large Broadway Show scenery sets to various cities and had end doors in addition to large side doors for easier loading and unloading. These cars also saw occasional service carrying bulk mail when not being used for scenery sets. The Sunset model will have opening side doors."
